

StrongBox Dental is a proprietary billing system that delivers immediate value by enhancing dental practices' efficiency, which translates to being paid more, faster with less work!

Founded in 2009, our Dental platform enables practices to significantly increase the efficiency of collecting patient-due amounts. StrongBox practices achieve collection rates above the industry standards, accelerated revenue generation and realization, reduced days in accounts receivable, minimized cost of collections - all yielding significant value to your practice.

StrongBox's dental practice management experts realize the importance of having customized patient payment plans and understand that practice administrators' most time-consuming tasks, such as bill preparation, mailing, follow-up billing, collections calls, check processing and more can be virtually eliminated with our software.

STRONGBOX DENTAL FEATURES:

- Easy-to-use as a stand-alone application or interface with your Practice Management Software (PMS).
- HIPAA compliant with click-through Business Associate Agreement.
- Intuitive dashboard design provides quick access to batch billing, recurring payments and other functions.
- Reduce cost by eliminating physical bills, which saves on paper, postage and labor.
- Eliminate repetitive billing cycles, turning the Revenue Management Cycle into a Revenue Stream.
- Create scheduled payment plans to provide a no-cost alternative to better manage patient financing.
- Advanced reporting functions ensure accountability and efficiency.
- Collect patient-due amounts via credit card and/or ACH payments at the time of visit and afterwards.
- Securely store patient credit cards and ACH information for future payments.
- Print and email patient receipts.

StrongBox Dental is Ready to Increase the Efficiency of Your Practice!

StrongBox enhances efficiency, eliminating the resource drain of the billing cycle, repetitively printing and mailing statements in the hope to get paid. StrongBox increases revenue and greatly reduces the time to payment (time value of money = a dollar today is worth more than a dollar tomorrow!). StrongBox also dramatically reduces the amount of uncollected amounts owed to dentists, estimated to be as high as 18% of gross revenue. The result is an improved, more profitable and highly efficient practice. By reducing billing-related work, your staff can focus on the more important aspects of running your practice.

StrongBox Dental is the premier solution to practice efficiency and revenue acceleration. StrongBox Dental stores payment instruments in an industry compliant fashion. Your patients guarantee payment with a financial/payment instruments (credit card, ACH, etc) and sign authorization for payment of contractually-obligated amounts, such as deductibles, copayments, co-insurance and non-covered services. StrongBox empowers you to seamlessly processes payments for these amounts due at the time of service and afterwards.
